To my knowledge, there is no reason why this person cannot participate in horseback riding, recreational activities, waterfront activities (swimming/canoeing/water skiing/fishing/boat rides), music therapy, arts and crafts, archery, and high ropes initiatives (rock wall/zip line). However, I understand the Bradford Woods will evaluate the medical information that has been provided in relation to the existing Bradford Woods's precautions and contraindications. I concur with a review of this person's abilities/limitations by a licensed/credentialed health professional (e.g. PT, OT, SLP, Psychologist, etc), in the implementation of an effective equine activity program.
